## WELCOME TO THE 2023 POOL SEASON

Greetings returning and new members,

We would like to provide some updates to you all regarding the pool. A few years ago the city uncovered that legally they do not own the pool. The turnover was delayed due to COVID and litigation amongst our attorney and the city attorney. A decision was reached and very much out of our control, and we are now owners of both the pool and the tennis courts. The tennis courts were locked up due to insurance reasons. There has not yet been a decision on what will happen with the courts, however, the funding is not available in our budget to maintain the courts and pay the taxes on them. Our main goal is to keep the pool up and running like we have over the last several decades.

On a brighter note, we were able to do some updates to the pool . We have new coping and new tile around the waterline. This was a \$22,000 project. Last year we did some less noticeable upgrades with replacing sand filters, fixing leaks, and repairing/replacing the deck boards. As a board, our plan is to continue to make improvements to the pool that is only so wonderful because we have the best members, guards, and manager around town.

We plan to be good stewards of your money as we navigate this new ownership which includes paying for all utilities, updates, repairs, and property taxes. If anyone has any interest in helping us with updates, please send us an email at [Birchtreesr@gmail.com](mailto:Birchtreesr@gmail.com)

Thank you and we look forward to a wonderful 2023 season,  
Birchtree Board
